

**REMARKS**

Reconsideration and allowance of the subject application in view of the foregoing amendments and the following remarks is respectfully requested. Entry of this Amendment under Rule 116 is merited as it raises no new issues and requires no further search.

The Examiner's indication of allowability of claims 11-28 is noted with appreciation.

Claim 6 has been amended to incorporate allowable claim 25. Amended claim 6 as well as claims 7-8 and 10 depending therefrom are thus patentable over the applied art of record. Non-allowed claim 9 has been cancelled. Allowable claims 14 and 26 have been rewritten in independent in the manner kindly suggested by the Examiner in the final Office Action.

Accordingly, all claims in the present application, namely, claims 6-8, 10-24 and 26-28 are now in condition for allowance. Early and favorable indication of allowance is courteously solicited.

The Examiner is invited to telephone the undersigned, Applicant's attorney of record, to facilitate advancement of the present application.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,

**LOWE HAUPTMAN GILMAN & BERNER, LLP**
